

A festive Halloween-themed illustration for a dog party. At the top, a large, pale yellow full moon is partially obscured by a string of orange jack-o'-lantern balloons. The background is a deep purple, decorated with several small, dark purple bat silhouettes. In the center, three dogs are featured: a small grey pug on the left wearing an orange scarf with the word 'BOO!' in white; a medium-sized white dog in the middle wearing a white sheet as a ghost costume and holding a yellow jack-o'-lantern basket; and a small tan Corgi on the right wrapped in white bandages like a mummy. To the left of the dogs are two balloons, one purple with a white ghost face and one orange with a jack-o'-lantern face. To the right is a single orange jack-o'-lantern balloon. The title 'HALLOWEEN PAWTY' is written in large, stylized letters, with 'HALLOWEEN' in yellow and 'PAWTY' in white.
