Rally I and Rally II

I had wanted to be a dog trainer since I was in the third grade. I got my first dog in 1992, a beautiful Australian Shepherd, and have been training dogs ever since. Right now I have two Aussies (Mike, Rally Excellent (retired) and Molly Bean (pictured above), pursuing Rally Advanced) and one mini-Aussie (Rooney, working through dog issues)

In 2001, I began teaching dog obedience classes at Dauphin Dog Training Club and in 2005, I developed the Rally Obedience curriculum there.

Rally Obedience is a great way to train your dog without the boredom of repeating the same handful of exercises.

My priority in teaching is to strengthen the bond between the person and the dog. We do this together with fun exercises and positive reinforcement.
